EMC

EMC Gaskets For Cover Plates

For EMC shielding between the horizontal rails and covers.

Material:
Stainless steel

HP	Packs of	Order No.
84	10	3684245

EMC

EMC Contact Strip

To guarantee EMC protection when horizontal rails are set back. Integral groove to accommodate vertical EMC gaskets. 2 strips are required per subrack.

Material:
Extruded aluminum

Surface Finish:
Clear chromated

Supply Includes:
1 contact strip

U	Packs of	Order No.
3	1	3684643
6	1	3684644
9	1	3684645

Note: Assembly screws should be ordered separately.

	Packs of	Order No.
M3 x 6	100	3684233

Also Required:
EMC gaskets, vertical, see above
